

Etnies Skate Park Lake Forest Expansion *(Currently Underway)*

The proposed expansion of the Skate Park will increase the size of the park by 13,000 square feet. Unique new features include:

- a cradle
- adjustable handrails
- a snake run
- an area for a barbeque

A construction contract was awarded by the City Council at its meeting on October 19, 2010. Construction for the project has been delayed as a result of utility relocations, which must be designed prior to starting work. The anticipated start of construction is February 2011 with a project completion in July 2011.
